A little pizza trivia.

The story is told that margherita pizza was first created in the 1800s to honor Queen Margherita, the queen of Italy. The colors of the ingredients matched those of the Italian flag: red (tomatoes), white (mozzarella cheese), and green (fresh basil).

## Lasagna House History

In 1942, Sicilian immigrant, Pete Pizzo fulfilled a lifetime dream of opening an Italian restaurant serving his family's century-old recipes. Years later and several states away, a more mature Pete opened his third restaurant in Houston, Texas, Lasagna House III. Current owners, Matt & Mary Vernon, still take great pride in serving delicious Italian fare in the same loving way that Pete did so many years ago.
